

President Obama hasn't given up on health care reform, and neither has ANA!! With an [ANA nurse standing proudly behind him](#), President Obama called on Congress to get health care reform done!

Help us send a message to Congress that they must capture this opportunity!! We believe we can get 10,000 names on the "Let's Get it Done!" petition but we need your help! Already more than 6,300 people have signed...we're so close to our goal AND to getting patients the health care reform they need!

Help us reach our goal by forwarding this email to 5 friends right now!! Here's how you can share the petition:

1. If you haven't signed the petition, [add your name now](#).
2. [Forward this email right](#) now to 5 friends and ask them to sign the petition.
3. On the "[Let's Get it Done!](#)" [petition page](#), use the "Share This" icon to share the page via email on your FB page.

4. Post to your FB status: "I'm committed to get health care reform done right and done now. Are you? Sign the ANA's "Let's Get It Done!" petition at [www.rnaction.org/getitdone](http://www.rnaction.org/getitdone)."

Thank you for joining us!
