

Wisconsin Peer Alliance for Nurses (WisPAN)

WisPAN is Wisconsin's peer support organization for nurses run by nurses.

WisPAN Nurse's Mental Wellness Group is a confidential safe space for all nurses to tell their stories, listen to others, and build connections within a culture of support where you can develop resilience and conquer burnout.

Peer support for nurses in Wisconsin by nurses in Wisconsin.

Promotion of nurse well-being and patient safety through educating healthcare professionals, institutions, and the public.
